## Researches

The opinion of the greats of the world about programming

Publisher: milad dehyami

March 2021

Link : [codeyad.com/Mag/post/quotes-programming](https://codeyad.com/Mag/post/quotes-programming)

Have you ever thought about programming in the opinion of the greats of the world? It is not easy to understand that by learning programming, one is not only able to perform technical skills and this expertise can be helpful in other aspects of life as well. Many of the greats of this industry were inadvertently drawn into this valley, but they made remarkable and impressive progress in this way for themselves and the whole world.
